**Help Us Light Up The Night!**

Simsbury Celebrates, the town's annual holiday community event is funded by contributions from people such as yourself. Your support is desperately needed now to keep the Simsbury Celebrates Fireworks Show viable. Plans are well underway for another spectacular event on November 26, the Saturday after Thanksgiving. With a chill in the air and the warmth of nearly 12,000 delighted friends and neighbors, Simsbury Celebrates has become the largest and most anticipated holiday event in town.

The spectacular fireworks display, always a crowd pleaser, brings Simsbury Celebrates to a stunning finale! This year the fireworks display will be cancelled without additional financial support.

Your family and/or business can support Simsbury Celebrates this year by becoming a member of this year's "Fireworks Booster" club. A \$25 or larger contribution will aid us in meeting the fireworks display's costs and make it possible for us to "Light Up The Night!"

Thank you in advance for your support.
